Hi Jessica

I asked Ruth to try and identify the grassy parcel at the north end of [Ex. 6 Personal Privacy (PP)] There may be some material here

If you have time can you look at what Ruth sent here and see if you can match up the areas?

No rush. And btw, this is the email I sent which insisted on going to [Ex. 6 Personal Privacy (PP)]  
Nonresponsive based on revised scope

Thanks  
Chris

Hi Chris and all,

Since the parcels aren't very uniform, here's some information on two other parcels that border A. Jennings Property. I've attached a rough marked up map for reference and some tax cards --- and you can also go to this web link which may be helpful -- it overlays parcels on satellite view

<https://www.webgis.net/va/Halifax/default.asp?preset=Parcels&op=id&id=1|parcels|prn|28030>

I think you may be interested in one of two properties ---

1. One property is located at [Ex. 6 Personal Privacy (PP)] basically a neighbor to [Ex. 6 Personal Privacy (PP)] residence. It's owned by a [Ex. 6 Personal Privacy (PP)]. The tax card for this property is attached and it contains a picture of a residence. A portion of [Ex. 6 Personal Privacy (PP)] property borders [Ex. 6 Personal Privacy (PP)]
2. Another property is located next to and sort of behind the property owned by [Ex. 6 Personal Privacy (PP)] It also borders the [Ex. 6 Personal Privacy (PP)] property. The parcel number is [Ex. 6 Personal Privacy (PP)] and this land doesn't appear to be located on any major road and doesn't appear to have any residence on it. Based on the tax card information it's owned by a [Ex. 6 Personal Privacy (PP)]  
[Ex. 6 Personal Privacy (PP)]

If you think it's one of these properties -- let me know which one and/or if you think you'll need contact information for one or both and I'll get more info. Also if you think the area of interest is another parcel or parcel(s) -- and can identify it --- just let me know which ones

to check out further.

Ruth
